At **The School Shop** we strive to do everything we can to make purchasing uniform an enjoyable experience. Like most uniform suppliers, we do get very busy in the school summer holidays. This is particularly the case in the final two weeks when at certain times customers may need to queue to be served. We strongly recommend that where possible you shop before this time.

Many of the items that we supply for your school are specially made. If you believe that you may require an item of uniform that is smaller or larger than what we would typically stock please contact us as early as possible to ensure that we have time to source it for you.
