Dear Parents/Carers

Subscription to **my-GCSEscience**

As part of our commitment to supporting your child through their Science GCSEs, the school would like to offer you a subscription to **my-GCSEscience** video tutorials and exam-preparation resources, which are ***much more powerful and interactive than using textbooks or exercise books***.

We are keen that as many students as possible have access to high-quality resources at home so that they are in the strongest position to study independently for tests and exams. my-GCSEscience is also ideal for catching up on classwork after absence, or for reviewing topics that your child has found more challenging. Of course, Science teachers will continue to offer help to individual students as required, but all students will really benefit using these resources outside their lessons.

my-GCSEscience provides detailed learning videos and support resources for the GCSE Science exams and is fully updated for the new 9-1 GCSE specifications. It provides an excellent online revision package, complete with 'traffic-light' progress checker, exam-style questions, mark schemes and tips for the exams. It works well on laptops, tablets and smartphones.

It is strongly recommended that parents opt in to this package. If you would like to have a closer look before ordering, please go to www.my-GCSEscience.com where you can find much more information. Parents can sign their children up for free 'Entry Level' resources, before deciding whether to upgrade to a Double or Triple Award subscription.

As the school will be buying in bulk, it has been able to ***negotiate a subscription price for parents which is far below the individual subscription rate***, as shown below.

If your son/daughter is in Year 9 and taught by Mr Tukhoo or Miss McIvor, then they will need the Triple Award resource. If your son/daughter is in Year 10 and taught by Mr Tukhoo or Mr Ricketts, then they will need the triple award resources. If your son/daughter is in Year 11 and taught by Mrs Busby, then they will need the Triple Award resources. All other students will need the combined science resource.

	Duration of access	Year group	Purchased from school	Purchased from my-GCSEscience
Double Award (Combined Science)	1 year	Year 11	£5.05	£24.95
	2 years	Year 10	£8.05	£49.90
	3 years	Year 9	£10.05	£74.85

	Duration of access	Year group	Purchased from school	Purchased from my-GCSEscience
Triple Award (Separate Sciences)	1 year	Year 11	£10.05	£49.90
	2 years	Year 10	£16.05	£99.80
	3 years	Year 9	£20.05	£149.70

The method of payment is through ParentPay. If you have any problems please contact Mrs M Ozsanlav on 01494 683993. ParentPay holds an electronic record of your payments to view at a later date. No card details are stored in any part of the system. Please visit the school website, click on "Contact Us" and follow the links to use this facility or <https://www.parentpay.com>.

If you would like to discuss any of the above, please contact me at school.

Yours faithfully

Mr J. Ricketts
Head of Science
