

5 April 2019

Dear Parents/Carers

Re: Year 13

I am writing to advise you that we will be holding our farewell assembly for our Year 13 students, during the morning of Friday 10 May 2019. We are aware that some Year 13 students will be sitting their Finance exam on that morning from 9am to 10am, and so the leavers' assembly will take place after their exam has finished. They will then have an opportunity to take pictures and have an early celebration lunch, before leaving at lunchtime.

From Monday 13 May until their exams are finished, students will still be expected to come in to school for their lessons, but will not be required to attend mentor time and supervised study. They are of course very welcome to work in the Library, should they wish to do so. We will expect them to continue to dress smartly when in school, including when they sit their exams.

I wish you all a happy Easter break, in spite of the necessary exam revision that will be taking place.

Yours faithfully

Mrs J O'Donnell
Leader of 6th Form
