Dear Parents/Carers

**Re: Students devices**

We are in the process of changing ICT providers currently. Unfortunately our new Wi-Fi enrolment system is taking longer to set up than we anticipated and we cannot guarantee it will be in place for Monday.

Rather than have students bring in devices on Monday and not be able to use them, we would ask that devices remain at home. We are working round the clock to resolve this situation and will inform you as soon as the new enrolment system is up and running and students can bring in their devices.

Thank you for your patience.

Yours faithfully

Mrs L Martin  
Assistant Headteacher
