Dear Parents/Carers

Re: Year 11 Interventions

Please find attached the schedule for the compulsory after school interventions on Tuesdays and Thursdays, starting on Tuesday of this week. Student's timetables on Milk will tell them where they need to be.

The intervention rotations will last for approximately half a term and will form a part of their Prom passport i.e. those not attending intervention sessions regularly will not be allowed to Prom.

Any queries please do contact Mrs Collingridge.

Yours faithfully

Mrs C Henly
Deputy Headteacher
