Dear Parents/Carers

Re: Demonstration in Beaconsfield

We have been made aware that climate protestors are organising a demonstration in Beaconsfield tomorrow (Friday 20 September) during the school day. If any student should leave school to take part in this protest it will be counted as an unauthorised absence.

From a Health and Safety point once a student leaves the school premises we are not responsible for their safety. Many students and parents may well hold strong views around global warming and wish to experience these but this must be done in an appropriate way at an appropriate time.

It is important that climate change is discussed both at home and in school, during mentor time and PSHE as well as the science and social impacts in Science lessons and Geography.

Therefore, students cannot leave school to attend any protest.

Yours faithfully

Mr J Fletcher
Headteacher
