Dear Parents/Carers

**Re: Student Wi-Fi**

We are pleased to let you know that the student Wi-Fi will be up and running from Monday morning. Thank you for your patience whilst we moved to a new system.

Please remind your son/daughter in Years 8 through to 13 to bring their fully charged device on a daily basis from Monday.

There is a new enrolment system which students will be taken through in mentor time to ensure their devices will access the system.

Yours faithfully

Mrs L Martin  
Assistant Headteacher
