Dear Parents/Carers

RE: Safeguarding notice – please speak to your child regarding being approached by strangers

The school has been informed that, on Thursday 24 October evening, a student was approached by a man in a blue car on Candlemas Lane on their way back from school. The man asked the student if they would like a lift. When the student said no the man drove off.

This has been reported to the police. No other details are available as yet.

This follows a previous incident which occurred last week in Beaconsfield when an 18 year old girl (not from TBS) was approached by an older man. Please see the attached link <https://mymsg.eu/6qjv> from Thames Valley Police.

These two incidents are a concern and we would ask all parents to (i) speak to their children and help them understand how to respond to such situations and (ii) if their child is approached in this manner then to report it to the police as soon as possible and inform the school.
