

Monday 4<sup>th</sup> November 2019

Dear Parents/Carers

We will be selling poppies for Remembrance Day on behalf of the Royal British Legion throughout the school week during assemblies, mentor time and at our main school reception. This year the Remembrance theme is "Remember Together" and we will focus on the vital contribution made by the Commonwealth and Allies in both World War One and World War Two. We will explore the theme through such battles as The 1917 Battle of Arras and The 1944 Monte Cassino Battle (75th Anniversary). The aim is to show the true diversity of the allied armies and to show how communities across Britain share a common Remembrance heritage.

We would also like to 'Remember Together' service men and women who are close to our community. We will be creating an in school memorial with knitted poppies. If you would like to commemorate a family member or wish to thank the armed forces who have served, sacrificed, and changed our world please go to Parent Pay where you can donate to the Royal British Legion a minimum of £5 to our Poppy Memorial. Please also e-mail Mrs Palmer-Garrett [fpalmergarrett@beaconsfield.school](mailto:fpalmergarrett@beaconsfield.school) a citation, or note of thanks that will be included in our school Memorial.

Yours faithfully

Mrs F Palmer-Garrett  
Assistant Headteacher
