Dear Parents/Carers

Re: PE

In order to keep you up to date with our plans for the PE Department for September, please find below details on how we will be running lessons and extra-curricular activities. We hope this information gives you ample time to prepare for recent changes in physical education in schools and purchase any items that may need to be bought so that your son/daughter is able to fully participate in the range of activities that we are providing.

It is our plan that all students, in all year groups, will continue with their PE lessons from the beginning of the autumn term. This letter will outline the changes we have made to keep in line with Government guidance.

PE kit

From September, if students have PE on that particular day, they will arrive to school and go to all lessons in their PE kit. Please see below our kit requirements.

PE Lessons

PE lessons are not optional and our expectation is that every student experiences a broad PE curriculum. Sports equipment will be thoroughly cleaned after each lesson and contact sports avoided. Outdoor sports will be prioritised and in September we will start with summer sports such as Athletics, cricket, rounders, softball and tennis.

Extra-Curricular activities

Students will be kept in their year bubbles for extra-curricular activities. Activities in September will be based on summer sports and there will be several options to choose from. Year groups will have a set day which is linked to their PE days, as seen in below table.

Monday	Tuesday	Wednesday	Thursday
Year 7	Year 8	Year 9	Year 10 GCSE/BTEC

The PE department looks forward to seeing all students in September and if you would like to contact me regarding PE please do not hesitate to email me at the address below.

Yours faithfully

Mr P Maddock
Leader of PE
