

7 September 2020

Dear Parents/Carers

Please see below some important information from TBS:-

## Fusion Pre-Order Food App

- **Students are to bring in a packed lunch until further notice – this to ensure the app is ready and reliable**
- **If your child is entitled to FSM please email [finance@beaconsfield.school](mailto:finance@beaconsfield.school) and advise if they would like a lunch bag**
- Our Mobile Phone Policy is to be respected at all times
- Break or Lunch food items must be ordered from home by 6pm the day before food is required
- Food orders can be placed covering one week at a time
- The app links to ParentPay so please top up funds from home
- Students can still top up with cash on the machine in school (this is sanitised regularly)
- Students do not need to show phone/order when collecting food
- Items ordered will be labelled and delivered to the Year group bubble areas at break/lunch

## Students feeling unwell

If students are feeling unwell with classic Covid-19 symptoms (see NHS guidance), they need to remain home and have a Covid-19 test. If they are feeling generally unwell with a cold/sore throat, they must also be kept at home and sent for a test. This must happen as we know that Covid-19 is manifesting differently in adolescents. Please send proof of negative test result to [matron@beaconsfield.school](mailto:matron@beaconsfield.school).

**Without proof, students may not return to school.**

## Students who are asthmatic

If your child is a diagnosed asthmatic please ensure they have their own in date inhalers, and spacers if required, with them at all times. If your child carries an auto adrenaline injector pen, they must also carry two, in date pens with them at all times.

All medical forms must be renewed for the start of the new term and so please ensure that these are handed in to Matron as a matter of urgency via your child or electronically.
