

5 January 2021

Message from Mr Sarsfield – Leader for Year 11:-

Dear all,

“Our deepest fear is not that we are inadequate. Our deepest fear is that we are powerful beyond measure.”

Never before has our motto been so applicable. We have all gone through a lot of change, adversity and unknowns in our time together and it is perfectly acceptable to feel nervous. You can feel reassured that from the start of the unknown you have been working incredibly hard in your classes, intervention sessions and at home to ensure that you are prepared for exams this year. This hard work and dedication is not time wasted and you will still experience the benefits in the not too distant future. However, we are not done yet and there is still time left and work to be done; it is more important now than ever to continue to work hard and stay motivated. What you do for the rest of this year will make a difference and I wholeheartedly want to say well done and I am proud of what you have achieved so far.

Message from Mr Tang – Headteacher:-

I am sorry that we have had to switch to remote education. It is not ideal at all. You are a fantastic group of young people and it has been a pleasure to work with you all so far. You are all capable of extraordinary things and have huge potential. It may not seem so now but there will be a time when this period is a distant memory. Like Mr Sarsfield, I would also urge you to continue to work hard; whilst we don't know what the summer's exams or assessments may bring, every lesson will make a difference to you, and every piece of work completed will put you in a better position to thrive in your next steps.

Make sure you take some time to pause and reflect on your achievements so far. Whether you are in school or not, you are always part of our family.

I look forward to seeing you all soon.

Mr Tang
